# ABOUT

Father's Office Downtown is our 2nd location from our Father's Office concept. Our original location on Little Lonsdale St, QV is 10 years old this month.

Father's Office is based on prohibition Americana in the 1920's, when the consumption of alcohol was disallowed. Speakeasies became the place to be and underground bootleg liquor (and the debauchery that follows) thrived.

Expect a sprawling 500 person late night venue serving Father's Office all-Americana cuisine that has been loved by so many.

Head downstairs to party the night away where you can mingle late into the night with a cocktail in hand. With a 7am Liquor License, you can party your weekends away!

Each private space has been uniquely designed for 10 to 150 guests.

Father's Office Downtown has some elements of its original concept but with a more contemporary feel to fit the Flinders Lane market. Wallpapers are sourced from the UK, wall sconces are made in the Netherlands using Tiffany glass and the stunning Murano Chandelier from Italy.

From our menu to our decor, we can ensure you'll never have an experience quite like the Father's Office experience.
